GRANT FUNDS MAKING A DIFFERENCE

Dear PFLAG Buffalo/Niagara:

Thank you for your kind donation to the CSAT GSA. The money given was used to create a logo for our GSA and make shirts and sweaters using our new logo. Currently, we are nearing 50 members in grades 9-12 and are continuing to create a presence in our building that fosters more than tolerance. We are accepting and kind.

Something that sets this donation apart from the others received in the past is how well this new branding of our school's logo is garnering support for our GSA. First, because of our dress code, anything that is new apparel always creates a buzz. New shirts and sweaters in our building creates excitement that leads to discussion. What is your sweater for? How do I join? When do you meet? This is sure to generate more interest and awareness.

Second, our building administration and district administration have all proudly accepted a shirt as a gift from your organization. This sends a clear message that our principals all the way up to our superintendent clearly support our students, their safety, and their communities. Our students can express their authentic selves knowing full well the people in charge of our school are behind them.

Yours Sincerely,

Nate Monaca, GSA Advisor
