We meet because we have learned someone close to us is gay, lesbian, bisexual, or transgender. We try to help one another deal with this information in a positive manner. Although we do not always agree, we try to be understanding. We offer help to those who seek it, but do not force ourselves on others. We strive to maintain anonymity while sharing on a level that is comfortable.

Introducing *PFLAG Connects: Communities*

A new part of our PFLAG Connects program

PFLAG National is launching *PFLAG Connects: Communities*, where parents and family members of LGBTQ+ people who are part of the Latino, Black/African-American, and AAPI communities can connect to give and receive support.

Each meeting will be facilitated by members of the community, and will be free to join. More information is coming soon about our first meetings, starting next month.

PFLAG Nacional lanzará *PFLAG Connects: Comunidades*, reuniones para padres y familiares de personas LGBTQ+ de la comunidad Latina donde podrán dar y recibir apoyo.

Cada reunión será facilitada por miembros de la comunidad Latina. Estas reuniones serán gratuitas. Mandaremos más información sobre las reuniones el próximo mes. Si le interesa o conoce a alguien a quien le interesaría participar.

BOOK CORNER

Maybe a back-to-school gift for a loved one going back to school? Maybe a book for yourself to read in cooler fall days?

We share with you this link from pride.com where earlier this year they recommended a multitude of LGBTQ+ themed and young adult books. Please peruse and find some titles to read or share.

Remember, we have PFLAG bookmarks if you want one to use! Let us know!
