We meet because we have learned that someone very close to us is Gay, Lesbian, Bisexual, or Transgender.

We try to help one another deal with this information in a positive manner. Although we do not agree at all times, we try to be understanding. We offer help to those who seek it, but do not force ourselves on others. We strive to maintain anonymity while sharing on a level that is comfortable for all of us

May the new year be a good one for you and your family. We thank you for staying updated via our newsletter, and we thank you for your support this past year! We are family!
